## Dear Friends, Greetings!

A healthy body is an important part of a happy life of a human being. In the present times, amidst various incurable diseases and their increasing severity as well as a modern and stressful lifestyle, it has become very important for a human being to be conscious and aware of their health. For this, the government of India and the Prime Minister Shri Narendra bhai Modi have also taken this issue gravely and appealed to the citizens of the country to use less salt and sugar in food, reduce the consumption of edible oil by 10% every year and eat healthy food.

To make a theme efficacious of the year 2025 given by the organizers of World Kidney Day -Are Your Kidneys Ok? Detect early, protect kidney health. I feel glad that the India Renal Foundation is making its important contribution to the campaign to create a healthy society by doing an important work of creating awareness in the society about the precious organ of the body like kidneys and its diseases.

By using the van allocated by the organization in each chapter, In rural and urban slum areas, with the help of various social organizations, free screening of BP and diabetes, the diseases that cause the most destruction to the kidneys, is being done and proper guidance is being given to them. It is note worthy here that in these screening camps organized by the organization, many people are diagnosed with BP and diabetes for the first time.

As part of the auspicious resolution taken by Shri Rohitbhai Parikh, a member of the advisory committee of the organization's Vadodara chapter, to organize 71 musical charity shows on his 71st birthday to help kidney patients in need in their treatment, Charity musical programs were organized in Vadodara and Mehsana during this quarter. In which the organization received donations of Rs. 1,44,829/- and Rs. 1,36,355/- respectively. Through which we will be able to help more needy kidney patients in their treatment. For this, I express my heartfelt indebtedness to Shri Rohitbhai and his team for their tireless support in the musical program organized at Mehsana.

I also thankful to Shri Sharadbhai Shah, Chairman of the Advisory Committee of the Mehsana Chapter and the Senior Citizen Foundation for tireless efforts.

Various programs are regularly organized in each of our chapters under the banner of 'Prerana' for the rehabilitation of kidney patients. In a program organized recently in Ahmedabad, renowned speaker Shri Maheshbhai Sanghvi had a very effective conversation with Prerana members on the topic of 'Four Keys to Happiness' with hymns and examples. In addition, the organization organized the first Prerana program at Veraval-Somnath. In which kidney patients participated enthusiastically.

Through our 'Save a Life' program, a total of Rs. 2,03,202 /- was provided to needy patients undergoing Hemodialysis and kidney transplant treatment during this quarter. Furthermore, quality treatment is being provided under the PradhanMantri Jan Arogya Yojana (Ayushman Bharat) in the Hemodialysis unit run by the organization at Krishna Sarvajanic Hospital, Himmatnagar.

## Best Wishes,

**Trilokbhai R. Parikh**  
Chairman
